**About the Subject:
Recognition of the foreign Academic and Vocational Qualifications
Multilingual consultancy for competence assessment**

You have foreign qualifications/ or foreign academic degrees, which are urgently needed to improve German Labor Market?

You need to have recognition your qualifications/skill or having these qualifications assessed to work in your profession in Germany?

You will lack of documents or certifications which approve your foreign qualifications or/ and foreign degrees?

We would like to support you and provide a free and confidential advisory service for the possibility to recognize your qualification in the context of the Law of recognition (Recognition Act) the “Law to improve the assessment and recognition of professional qualification and vocational training acquired abroad”, **which entered into force on 1 April, 2012. Also, since 14th, June 2013, the law for the recognition and equivalence foreign professionals in the state Nordrhein-Westfalen has been operated; it is so-called (NRW-BQFG).**

In a case, if you do not have state- recognized vocational training, but you can have the opportunity to approve your long-standing professional experience?

We will be glad to assist you in determining your existing skills.
